

DiBuduo & DeFendis INSURANCE

INTRODUCING

COVER GREEN

AN EXCLUSIVE INSURANCE PACKAGE FOR ENERGY RATERS

Available only from DiBuduo & DeFendis Insurance Brokers, LLC, one of the leading independent insurance agencies in California.

As an Energy Rater, you provide a valuable service for homeowners to help determine their home's energy efficiency. Your service is important but it is not without some financial risk. You need to make sure you are fully protected for not only general liability (GL) but also for errors and omissions (E&O).

With this program, you can rest easy that if a mistake or error happens, you will be covered and won't lose everything you've worked to build. **Introducing COVER GREEN, an exclusive package for Energy Raters available only from Matt Harbeck at D&D Insurance.**

Examples of Limits and Estimated Premiums

\$1M/\$2M General Liability
\$250K in Professional Liability
\$10K in Equipment
Premiums start as low as \$750 annually

\$1M/\$2M General Liability
\$1M in Professional Liability
\$10K in Equipment
Premiums start as low as \$1,000

COVER GREEN

The DiBuduo & DeFendis package has a number of special features designed for Energy Raters:

- Policies are written with A+ rated carrier
- Variable limits and deductible options
- No application needed
- Same day quotes
- Program can also include coverage for Commercial Auto, Umbrella, Employment Practices Liability, Cyber Coverage, 3rd Party Crime, etc.
- Current raters with GL, E&O and equipment are saving an average of 40%

Contact Matt Harbeck with D&D today to see how he may be able to streamline your policy, custom fit to your needs and save you money. Matt can usually provide you a quote within 15-20 minutes!
